

## Invitation to Arenco Showroom

### Why wait for the next fair?

#### - Visit us i Halmstad week 26 or 27

You are most welcome to Arenco showroom to see the most modern and flexible machines forming different types of cartons for topload. The qualities used are corrugated board and normal cardboard.

There will be a possibility to see formers with tools for glue and mechanical locking as well as carton closers.

We very much would like to see you here in Halmstad week 26 or 27.

Just inform us about your time of arrival and we will be ready to give you a good, interesting and informative stay with us.

Languages that we speak: English, Swedish (some German and French).

Looking forward to your positive reply.
